1. On 20.08.10 at 1400 EDT, I conducted a telephonic interview with (b)(6), (b)(7)c
(b)(6), (b)(7)c provided the following information:
 - a. SNM departs HoR for the CLB-25 home training center (HTC) to prepare for upcoming CGIP inspection.
 - b. SNM entered the CLB-25 HTC at approximately 1014 and proceeded to take and record his temperature in the log book as per CLR-45 policy letter 07 Jul 2020
 - c. SNM while logging in his temperature hears music from the High Intensity Training (HIT) center located in the HTC and notices that Maj Housinger is conducting physical training in the center. (See Photo 1)
 - d. SNM also notices a young girl, approximately 4-6 years old, Caucasian ethnicity with light brown running in and out of the HIT center, specifically the large tires, and assumed she was with Maj Housinger. (See Photo 2)
 - e. When SNM departs at 1230 Maj Housinger and the girl had departed the area.
 - f. SNM confirmed he was verbally briefed during a battalion level video conference that only Marines and official government employees could enter the HTC under the CLR-45 policy letter.
 - g. SNM confirmed that he recalled that it was a warm, sunny day when he arrived at the HTC.
2. This summary of interview is true and accurate to the best of my knowledge.
